will be held

**Saturday, April 9th, 2011,  
9:00 am to 5:00 pm, or until sold out**

This event takes place in the Beaumont Room,  
at the Missouri Botanical Garden

We have a wide range of lily bulbs for sale with special emphasis on the new hybrids developed in the last few years as well as lilies with a proven track record in St. Louis. Lilies are easy to grow perennials that increase year after year when planted properly.

**Many of these are lilies you won't see in the average garden catalog!  
Come to the sale, try something new, make your garden really stand out!**

**We look forward to seeing you there!**
